

# SUTCLIFFE VINEYARDS

Elev. '5340 (1628m)

"The miles of dramatic beauty that surround the Vineyard give no warning of the slender, brilliant oasis that is McElmo Canyon, home to Sutcliffe Vineyards. Over 25 years ago, the Vineyard embarked on bringing a new approach to winemaking in Colorado. Numerous awards and accolades as well as the wines featuring in some of the country's most celebrated restaurants and resorts suggest they have achieved that dream.
