Ruth Hall Museum of Paleontology

Home of the New Mexico State Fossil! Watch as bones of small dinosaurs are discovered right before your eyes! Ghost Ranch is known worldwide among paleontologists as the home of *Coelophysis* (*SEE-Low-FY-sis*), the little dinosaur found at Ghost Ranch in 1947. Exhibits highlight the Triassic animals from 210 million years ago.

Florence Hawley Ellis Museum of Anthropology

See artifacts from the prehistoric Tewa, Gallina and other cultures which inhabited this ancient cultural highway created by the Chama River. Also featuring contemporary displays of santos and religious carving in the Spanish Colonial tradition and changing exhibits of local textile and folk art.
