

TRAIL RIDES

Ride in the footsteps of dinosaurs, Native Americans, cowboys and cattle rustlers. Experience the beauty of the landscapes that Georgia O'Keeffe made famous through her paintings. See the sites that inspired her through your own eyes on a Ghost Ranch Trail Ride.

Ghost Ranch is a unique combination of natural beauty, paleontology, geology, archaeology, history and art. It is not just the values of each of these separate aspects of Ghost Ranch, but rather the synergy of its beauty, its scientific value, its cultural and historical traditions and its spirituality that make it *like no other place in the world*.
